MAN'S FUNNY WAYS.

When all is done or said,
He buys dope by the gallon
To raise hair upon his head;
Then he goes to the barber
And blows his money in
Almost daily, in an effort
To keep hair off his chin.

OUR SECOND GREAT SEMI-ANNUAL CLEARANCE SALE

Begins Monday, August 12th,

And continues until every job in our house is sold. Last summer we contracted for extra advertising space in order to draw your attention to our sale; advertised a great and sweeping clean-up sale; stuck to the letter to what we advertised, and as a result had the most satisfactory Buggy Sale ever held in Maysville carrying over one buggy only. This year we do not intend to have one rig left in our repository, and are marking the vehicles at such ridiculously low prices, and backing them up with such a strong guarantee, that you cannot help but buy if you are needing a rig of any kind. The case is this: We have the Vehicles and need the money; you have the money and need the Vehicles. Now is your opportunity.

We include in the sale all Buggies, Runabouts, Surreys, Phaetons and Carts in our repository.

Don't you think it will pay you to investigate?

PUBLISHERS' LEAGUE

Of the Ninth District Holds Enjoyable Meeting at Flemingsburg

Editor John J. Altmeyer of The Bulletin was at Flemingsburg Saturday in attendance at the meeting of the Ninth District Publishers' League of which he is President.

The meeting Saturday was well attended by the editorial fraternity.

The hospitality dispensed by Editors Duley and Wilt on behalf of the capital city of Fleming was all that could be asked and was greatly enjoyed.

The Editor of THE PUBLIC LEDGER had to forego the pleasure of dining on fried chicken, country ham, blackberry pie and other dainties, indigenous to the soil and climate of good, old Fleming county.

Next to Maysville Flemingsburg would be "nearly it" if it wasn't so awfully dry.

DR. JAMES DUDLEY DAVIS.

The news of the sudden death of Dr. James Dudley Davis at Bluebell Springs yesterday afternoon was a great shock to his relatives and friends in this city.

He had planned an automobile outing for the day and together with his wife and adopted son had intended to visit Bluebell Springs, Carlisle and Park's Hill Campgrounds. The particulars of his death are not at hand, but it is supposed he was stricken with heart disease and expired before he could be brought to this city.

James Dudley Davis was born in Scott county near Georgetown about 60 years ago, and came to this city six years ago from Bethel.

Dr. Davis was a genial gentleman, well liked by a large circle of friends, whose sympathy goes out to the bereft widow.

The funeral arrangements have not been completed, but will be announced in tomorrow's LEDGER.

JIM HARGIS stayed with the Democratic State Central Committee until he was out of the woods and then resigned. Is this any reflection on the committee?—Mt. Sterling Gazette.

"JUDGE" JEEMS HARGIS, the Democratic boss of Breathitt, who has so frequently and successfully "bumped the bumps" in the Kentucky Judicial arena during the past several years with the aid of his close friend, the Governor, and a half dozen "Special Judges," will, it is reported, start a newspaper at Jackson to be known as "The Midnighter." If the report is confirmed, the decent public will await with much interest to see how the Democratic press of the state welcomes the Hargis brand of journalism.

ATTORNEY GENERAL HAYS is going to leave Kentucky for good—for BECKHAM and HAGER's good. There is no place in Old Kentucky for any Democrat who does not align himself with the Beckham-Goebel machine. CARLISLE, LINDSAY, BLACKBURN and McCREARY have been practically eliminated and exiled from Kentucky politics. Marse HENRY would be made to follow suit and leave Kentucky, but the great Editor has too much the metal of the gladiator and the invincible victor in his make-up ever to be dictated to or scared by a gang of political shysters whose religion is dirty machine politics and whose sole noble desire is to enjoy the spoils of public office.

THUMP BOXES

Made in sweat shops at so much per dozen are a poor purchase.

Stockyard Pianos

Made in the West by the mile and cut off into lengths like sausages are also very dear, no matter how low the price.

WE SELL

REAL PIANOS!

And there is positively no excuse for any one buying Thump Boxes, when we offer Real Pianos upon our easy payment plan, a plan easy enough to interest the most languid in the hottest days of August.

A MOMENTOUS EVENT

Is the purchase of a piano, occurring, as it does, only once in a lifetime, provided that purchase be a real piano.

SAFEGUARD THIS TRYING EVENT

As WE do and all elements of chance are eliminated. For instance, we have just received the largest shipment of Pianos that ever entered Maysville—21 Pianos. Upon looking this stock over you find, if you are a professional musician, their tonal qualities magnificent, their voicing superb, their cases a marvel of beautifully selected woods of expensive importation, their special designs of carvings and etchings an education in wood art, a familiar name upon the fall board, and much to your surprise and gratification learn that our prices are far lower than the manufacturer's established prices, and you readily purchase, never dreaming of the earnest, conscientious, nerve-wrecking work done by some one to obtain these marvelous values.

LISTEN—A representative of our house went to New York, and after inspecting hundreds of pianos selected these 21 superb instruments, made by an old-time manufacturer whose reputation has grown year by year until he has established

BRANCH HOUSES IN 17 FOREIGN COUNTRIES
To supply the thousands of people the world over demanding pianos with his name upon the fall board. This name means something. That something has been created by years of conscientious service, time-tested, tried and true!

THAT SOMETHING MEANS SOMETHING TO YOU
All chances have been eliminated; the thinking has all been done; all comparisons were conscientiously made in selecting these 21 beautiful Pianos out of hundreds of others.

'TIS SUCH BRAIN-RACKING WORK THAT TURNS YOUTH TO OLD AGE

However, we are pleased with the result, for do we not absolutely know that these 21 Pianos are the best that the market offers for the money? Are we not in position now to back the manufacturer's TEN-YEAR guarantee with every asset of our house?

OUR JUDICIOUS PURCHASING,

COUPLED WITH

OUR TREMENDOUS SELLING,

Admits of our taking a huge slice off of the manufacturer's price. The Piano is familiar; the price is established. An agreeable surprise awaits you in our prices.

DON'T BUY A THUMP BOX; Buy A REAL PIANO!

And buy it of a real piano house—one who goes to considerable trouble and expense to eliminate all elements of chance! Remember that your credit is always good at THE LENIENT HOUSE OF

A FEW years ago Kid McCoy, (NORMAN SELBY) the "gentleman" pugilist, left his native county of Rush, Indiana, a poor boy in a covered wagon. Wednesday last, at the Rush County Home Coming Day, McCoy rolled into Rushville in a \$10,000 touring car, to the admiration of the 25,000 persons present. Mack made his money with the wedding ring and not in the prize ring.

ATTORNEY GENERAL N. B. HAYS of Kentucky is making arrangements to take up his residence in a Western state. He was a recent candidate for Governor against HAGER, was defeated; hence he is *persona non grata* to the Beckham-Hager machine, and knowing the utter hopelessness of his political future in the Bluegrass State, will voluntarily emigrate to the woolly West and grow up with the cactus and the coyotes. Great is politics in Old Kentucky.

HOW TILLMAN ACTED THE FOOL.

In his first speech in the Senate Tillman of South Carolina paid his respects to President Cleveland in rather savage fashion. He recounted how he had gone to Washington as Governor to attend Cleveland's inauguration, standing out for several hours in a drizzling rain to see the first Democratic executive since the war. Then Tillman raised a laugh by vehemently exclaiming: "God forgive me for being such a fool."

PUGNACIOUS

Ira Norton on the Warpath—Full of Booz and Full of Fight

Ira Norton, an ex-Philippine soldier, now a resident of the West End, created considerable excitement in the neighborhood of the C. and O. freight house yesterday afternoon which finally wound up by Ira being landed in Jail.

It seems his lady love, a Miss Moore, had aroused his ire in consequence of her having castily and winsome glances upon a rival for her affection, which so enraged Norton that he actually slapped her jaws.

She finally made her escape from him by taking to her heels and being fleet of foot distanced her half drunken lover and escaped further bodily harm.

There were possibly a hundred people who saw Norton as he strode up and down the C. and O. track flourishing an ngly-looking open knife and threatening what he would do if he caught her.

He struck an inoffensive fellow twice in the face without any apparent or just cause, and was having things his own way when Tom Senteney opportunely appeared on the scene and took the pugnacious individual in charge.

When Norton saw the officer approaching, having a firm grip on his club and a business look out of the eye, he stealthily replaced the knife in his pocket and submitted to arrest as quietly as a little lamb.

The Officer's presence had the effect of taking all the fight out of him.

A position on the Police force is not a bed of roses by any means. Many times an officer is censured for not doing his duty and its just the same when he performs the function of his office in a superb manner.

As an illustration, yesterday when Norton was at the height of his rowdiness, the denizens of the neighborhood were calling down all kinds of maledictions on the heads of the Police for their non-presence, and just as soon as a blue coat arrived and began making inquiries as to the trouble every last mother's son and daughter of them closed up their mouth like a clam and knew nothing about it, when at least a half hundred saw the whole transaction.

Verily, the Policeman has his own troubles as well as other folks.

PLENTY OF BEER

At Danville—How Local Option Don't Prohibit in College Town

Danville Advocate.

The local option law which worked effectively in Danville for several months has lost its weight in view of a recent decision of the Court of Appeals.

That tribunal holds that an individual may have shipped into a local option community as much liquor as he pleases provided the same comes from a foreign state and is gotten for private use.

Mr. George Mahan, the drayman, and other citizens whose business require their presence in the Danville freight yards, state that from one to three carloads of beer are received here each week.

Mr. Mahan says that it required the services of two men to deliver the beer that came last Saturday to the citizens of Danville and locality.

A considerable quantity also comes in by express and otherwise, so that it is safe to say that two carloads are received weekly. Mr. Mahan has had numerous requests to deliver beer, but he is a law-abiding citizen and refuses lest he conflict with the laws of the Commonwealth.

Most of the beer comes from Cincinnati. Now the question is "can Mr. Mahan legally deliver the beer to private citizens over town?" He says he could make \$100 per month in delivering the goods.

The gage marks 11 0 and falling.

The Virginia is due down tonight from points above.

WORKS WONDERS

A Wonderful Compound--Cures Piles, Eczema, Skin Itching, Skin Eruptions, Cuts and Bruises.

Doan's Ointment is the best skin treatment, and the cheapest, because so little is required to cure. It cures piles after years of torture. It cures obstinate cases of eczema. It cures all skin itching. It cures skin eruptions. It heals cuts, bruises, scratches and abrasions without leaving a scar. It cures permanently. Maysville testimony proves it.

Mrs. Kate Poth, living at the corner of Clark street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy. For a long time I had an itching or eczema of the scalp. It broke out in spots and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain, and was then so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble, and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used Doan's Ointment and was absolutely cured."

For sale by all dealers. Price 50 cents a box; Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name--Doan's--and take as other.
